2011 Homecoming Dance Guest Form

Student Name

I wish to bring a guest to the FCHS Homecoming dance on Saturday, October 1, 2011. I understand that I, along with my guest, will be required to comply with the FCHS handbook rules.

Student Signature

In order for a student from another school to attend an FCHS dance, an administrator from the school of the guest must sign below to confirm the guest is a **student in good standing**. The guest is responsible for complying with the rules of Fairfield Community High School. Guests not attending high school must still sign this form. (Students in grade school cannot attend and guests must be UNDER the age of 21.)
